

Approved For Release 2002/08/21 : CIA-RDP91-00682R000100100042-7

Friday - 3 June 1949

1. Briefed the Director on legislation situation this morning, and raised with him also the question of provisional clearances in the light of the rather rough going-over Chairman Lillienthal received from the Joint Atomic Energy Committee yesterday. The Director is going to take steps to cut down the relatively very few provisional clearances granted.
